TIGEREYE '82, VOL. 26
HAYSI HIGH SCHOOL
HAYSI, VA 24256

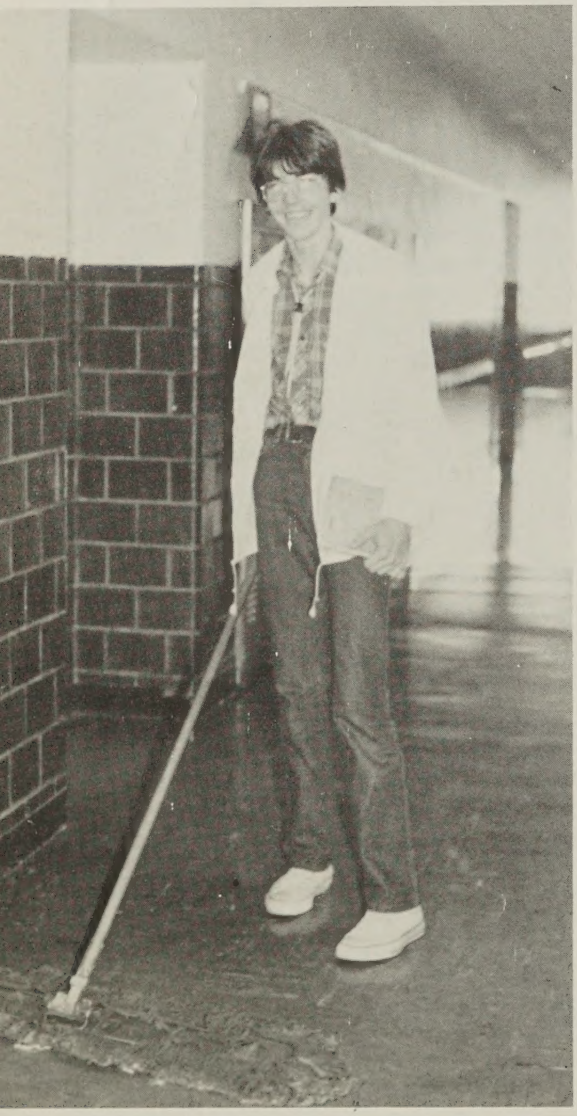

REFLECTIONS . . .

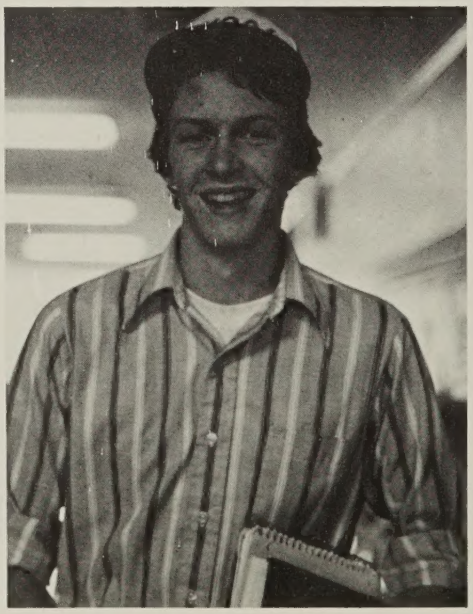

CAPTURED MOMENTS, MIRRORED MEMORIES, IMAGES OF YESTERDAY.

Reflections of the times and faces of the year of '82 (of course, from a Tigerseye point of view) . . . pretty girls and beauty queens, quiet moments, special faces, smiles and victories, brothers in friendship, even a human pyramid . . . Reflections are the essence of the year, the memories of good times, and great friends.

TIGEREYE DEDICATION

We dedicate our 1982 yearbook to a man whom we all respect and admired. Always the professional, yet always available to those students who need to talk — he "embodies" the ideal of a true teacher.

For all your history know-how and your friendly smiles, we thank you and we give you this annual as a symbol of our appreciation . . .
Mr. Raymond McCarty

Haysi's Hunky History teacher smiles modesty.

Profile of a dedicated professor.

Pam Mitchell and Mr. McCarty shares a few laughs in the gym.

A quiet moment after a busy day.

Yes, we know you are the greatest.

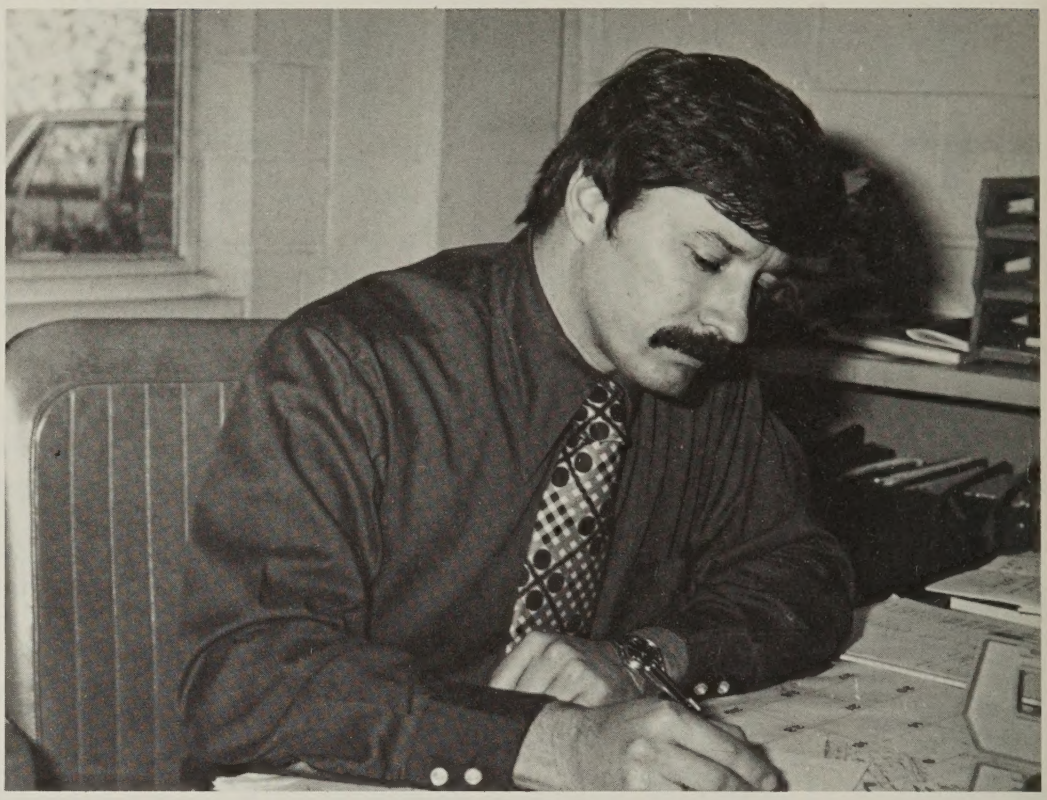

LEADERS

SCHOOL LEADERSHIP

In order to keep our school running smoothly, Mr. Yates and Mr. Bartley set rules and guidelines and did their best to make each student to abide by them. On the other hand, they were always there to listen to everyone's problems and help many students with their algebra.

Through endless mornings of writing excuses and making last minute announcements, they patiently stood beside us.

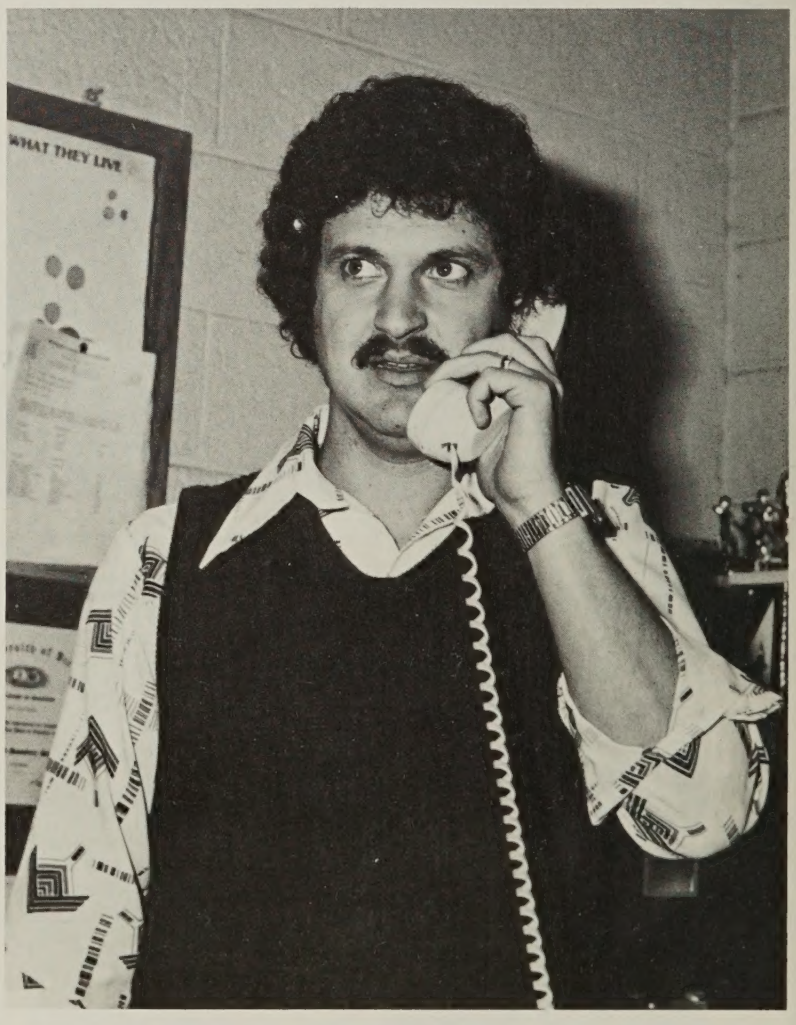

Mr. David Yates, Principal

Patsy Kilgore, Secretary

Nancy Sutherland, Cafeteria Clerk

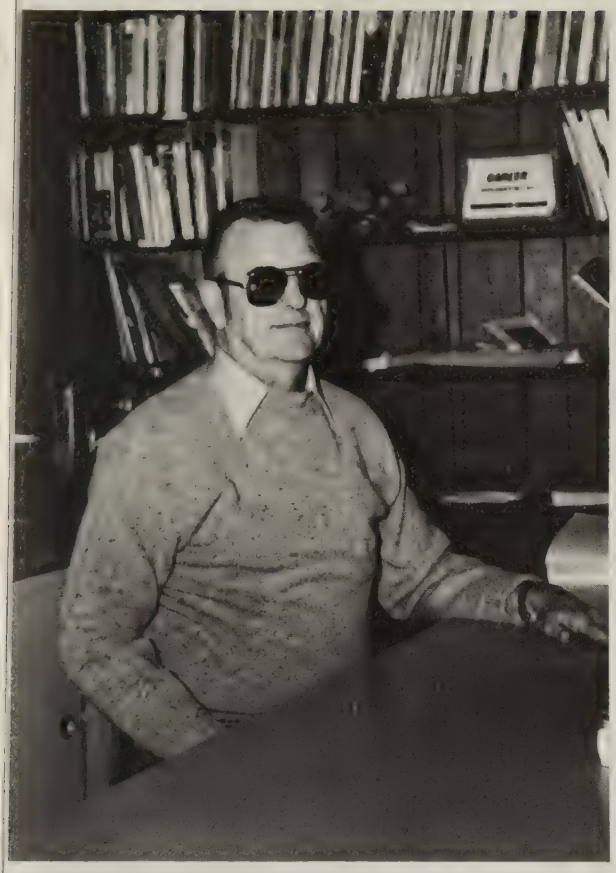

Mr. Ronnie Bartley, Assistant Principal

The guidance counselors have been influential in helping us plan our education and very patient through all the schedule changes.

Each student was informed of the requirements needed for their certain curriculm.

More importantly, they gave advice when needed.

Harold Byers, Guidance Counselor

Betty Deel, Guidance Counselor

FACULTY FACES

Within the framework of the Standards of Quality and local school board policy, teachers are at the liberty to help each student to achieve progress along the rocky road to education. Aside from the usual duties of teaching, activities like coaching, sponsoring clubs and forensics involve the faculty. Extra time is required, but this goes into the formulation of a complete teaching staff. Even so, the whole point of being a teacher may be that gleam of understanding in the eye of a student that makes it all worth while.

Aren't we particularly happy today, Mr. Boyd?

WORKING BEHIND THE SCENES

Mickey Mullins

Donald Colley

Often overlooked or underestimated, the services our janitors and cooks provide are an important part of the school's operation. Hot lunches, warm rooms and no litter are taken for granted, but it's good to know that there are those behind the scenes who do their job for us.

ONE MORE YEAR FOR

"One more year" was our cry as the year began. But as the end came nearer, shock replaced anxiousness as we realized how little time we had left and that being a senior meant making the best of our time. As our high school years faded into memories, we made it known that we were the spirited class of "82".

Joe and Tim show their skill at welding.

Could literature be so boring that Pam decides to leave?

Could it be true love for Randall and Duane?

William watch your fingers!

Lisa looks like she enjoys her work in the library.

SENIOR ACHIEVERS

Mr. and Miss Senior:
Patrick Grubbs
Brenda Edwards

ARE RECOGNIZED

ACADEMIC TOP TEN: Margaret Edwards, Valedictorian; Brenda Edwards, Salutatorian; Fonda Yates, Raetena Fink, Bob Kiser, Jackie Rose, Teresa Edwards, Tina Fields, Rita Fuller, Mary Hill, Lisa Thomas and Leasha Viers.

Mr. & Miss Senior, Patrick Grubbs and Brenda Edwards, were chosen by the faculty. Brenda Edwards is the daughter of Mr. & Mrs. Carroll Edwards. Miss Senior this year has as much scholastic ability as she does achievement. Brenda is salutorian, president of Beta Club, and was chosen for the All American Band. Patrick Gruggs is the son of Mr. & Mrs. Jim Grubbs. He has also received many honors in various clubs. He plays basketball and runs track. He received medals at BDD meet and was chosen Sprinter of the Year, "81".

The Top Ten Seniors were chosen by their academic ability. The Valedictorian held a 4.00 average; the Salutatorian was right behind with a 3.98.

Class Officers were chosen by the Senior class as leaders during the year "81-"82.

CLASS OFFICERS: Dianne Damron, President; Paul Rose, Vice-President; Kerry Hay, Treasurer; Fonda Yates, Secretary; Lisa Thomas, Reporter; and Randall O'quinn, Chaplin.

FRIENDSHIPS LINGER

Friendships Linger:

For twelve years, friendships have formed and now, friends may soon have to part. The sharing of dreams and interests through the years, fussing about teachers, and even those little arguments help make the year special. Leaving these friends who have become such a major part of one's life brings insecurity, but also there's a sense of gratitude for the moments we had together. We take with us memories of good times and find it easier to understand ourselves. We now appreciate and admire the qualities a good friend can offer.

Fun slips away; people are always saying enjoy your senior year because it is your last year. Seniors do have fun going to pep rallies, prom, and even enjoy being sophisticated critics. But these moments are fleeting, for just when seniors want them to last forever, they seem to slip away under college or job pressures, heavy homework assignments, and tight work schedules. Seniors, do you remember the days you felt you just couldn't wait to graduate and the days you felt like crying because you didn't want to leave — remember the feeling that you had to cram it all in because it is your final year at Haysi High?

Every senior has his own special moments to remember . . . smiling faces and secrets; and all the growing pains and disappointments somehow fade away as each of us thinks back on the class of '82. The class of '82 is eighty-four individuals and each has contributed in his own way to those captured memories. A class of outstanding personalities — a class with class.

UNDERCLASSMEN

JUNIORS —

Being a Junior has proved to be a lot of work, but then again, a lot of fun. There were days spent, soaked to the bone during car washes, countless stomach aches from what seemed to be countless amounts of candy bars, and an exhausting but fun night spent scaring kids out of their minds. These were a few of the many things the Juniors did to achieve their goals.

But though it was hard, it was all done in the spirit and closeness that this class has been noted for. This is why we're proud to say, "We're the Class of 83."

FRESHMEN . . .

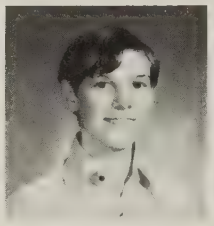

Freshmen getting into the swing of things — Freshmen, no longer labeled elementary or eighth grade, but at last having a title. Becoming a freshmen means more than just getting to move up a floor, it means added responsibilities such as choosing more of the courses that they want to take and getting to participate in more school activities like an invitation to join the Key Club. This year is more important because it means more participation in sports like running track and dressing out for Varsity football.

CLASS OF '86 . . .

Boys building their biceps and girls getting their hair out of place.
Trudging up those treacherous stairs.
Discovering the wonders of Pre-Algebra.
Having classes with all those upperclassmen.
Wishing that one certain person would look their way.

Eighth grade has always been thought of as your offical year in high school, meaning: your first credits for graduation, playing junior varsity sports and participating in club activities. Being in the eighth grade also means a lot of hard work and effort, not to mention endless trips to the fourth floor, band room and agriculture buildings.

But all in all being an eighth grader means being with your friends, meeting new people and taking on more responsibilities and slowly but surely working your way to the top.

ROOKIES OF THE YEAR

Do you know how it feels to be at the top one second and suddenly find yourself at the bottom? Well, this is what 7th graders go through. One year they're at the top in elementary school, and then they're just "those little 7th graders" at the high school. They're laughed at, beat on, teased for their small size, and worst of all, placed in the lowest part of the school — the basement. But as is always the case, they will come through with flying colors, looking forward to the day that they're seniors and can look back and say, "Here come those little 7th graders again."

Seventh graders on their way "Back to the Basement."

NEW FACES, NEW EXPERIENCES,

Each seventh grade class is always known for their own unique personalities. However they all seem to share some of the same feelings, such as getting used to a new place, getting used to the new teachers, and getting used to a new way of life. Some of the things that this class has experienced and seventh grade classes in the future may or may not experience are . . .

. . . Pre-Lunch Chessgames.
. . . Mr. Tackett's Matchmaking.
. . . Rebecca "Mouth" Raynor.
. . . Mrs. Harris and Mrs. Saylor's sponsoring 4-H.
. . . the Eradicator #2.
. . . Mr. Reedy's favorite game, volleyball.

SPECIAL ACKNOWLEDGMENT

We reserve this page to especially acknowledge Greg Stanley, a homebound student who, through the efforts of those who care and through his own achievement, will graduate with the senior class. Also, in memory of two of our students, both of whom were killed last year in an automobile accident, we dedicate this poem:

A TIME FOR EVERYTHING
To everything there is a season,
And a time to every purpose under the heaven:
A time to be born, and a time to die;
A time to plant, and a time to pluck up
that which is planted;
A time to kill, and a time to heal;
A time to break down, and a time to build up;
A time to weep, and a time to laugh;
A time to mourn; and a time to dance;
A time to cast away stones, and a time to
gather stones together;
A time to embrace, and a time to refrain from embracing;
A time to get, and a time to lose;
A time to keep, and a time to cast away;
A time to rend, and time to sew;
A time to keep silence, and a time to speak;
A time to love, and a time to hate;
A time of war, and a time of peace.

ORGANIZATIONS

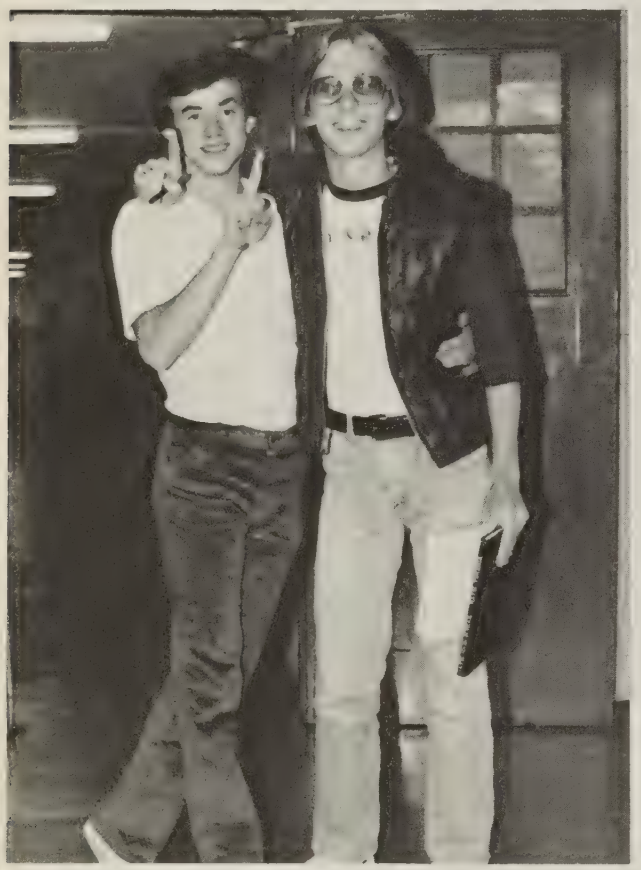

KEY CLUB UNLOCKS THE FUTURE

Through the years, the Key Club remains the most respected boys' club at Haysi. This service group flags traffic after school, places spotters at home ballgames, puts up the flag every morning and pops popcorn at all football and basketball games. They not only help the school, they serve the community as well. With help from the Kiwanis Club, the group has much potential and success in the years to come.

Missy O'Quinn, 1981-82 State Candidate

The Beta Club consists of those students who have a B average or better. It is a non-profit, leadership-service organization for high school students. Its purpose is to stimulate effort, reward achievement, and to encourage and assist its members to continue their education after high school.

We built the traditional Homecoming float for the queen and her court.

One of our objectives was to sponsor a needy child for Christmas. Another one of our major goals was to raise money to attend the state Beta Club Convention. Last year, 16 students attended the state convention in Norfolk, Va. Brenda Edwards ran for the state office of Vice-President. She received the place of first runner-up which was a great honor considering the size of our school compared to the size of the other schools that participated.

This year, we again sponsored a student to run for office at the state convention in Roanoke. Missy O'Quinn ran for the office of Vice-President.

YOUNG ARTISTS

The Art Club can always be called one of the most creative clubs in the school; along with keeping the bulletin boards decorated, it also sponsors school activities such as the annual Art Fair. The year's officers are: Jackie Rose — Pres., Lisa Thomas — V. Pres., Denechia Owens — Sec. & Treas. This year's club is the largest ever even though the members had to make paper maché masks for their initiation. In the fall four of the club's members and its sponsor attended a craft workshop held at Pound. The club is now learning to make Christmas tree ornaments.

Charlotte displays her ability to whistle a tune and draw a picture at the same time.

SPREADING THE WORD

The Haysi High School Bible Club has had an active year. The club entered a float in the Homecoming Parade and won recognition as having the prettiest float. At Thanksgivings the club visited Heritage Hall, the new nursing home for the elderly in Clintwood and distributed fruit to the residents. Other club activities are: Morning Devotions, reading the Easter Story at Sandlick Elementary at Easter, sponsored a Gospel Film showing for interested students, sending Bibles to people in other lands, being in charge of the Christmas Program, and singing carols in it. The Bible Club was sponsored by Carter Boyd and John Whitner. The officers are: Pres. — Jennifer Carrol, Vice Pres. — Phyllis Hall, Secretary — Barry Caldwell, Treasurer — Tammy Perrigan, Reporter — Darrell Wallace.

WE MAKE IT OUR BUSINESS

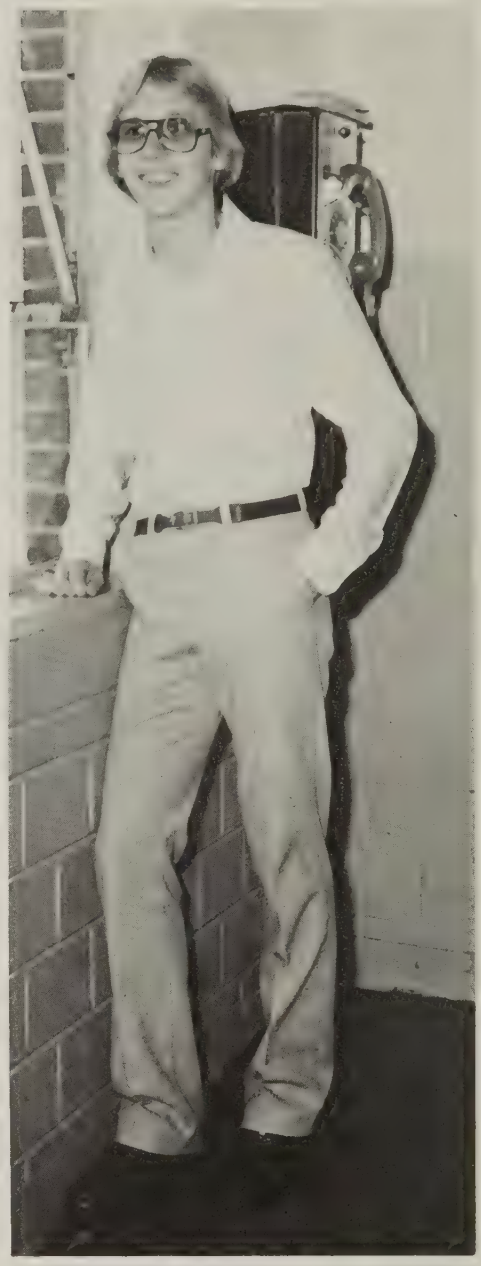

The FBLA is a very active member in regional and school activities. Some regional activities the members attend are competitions, in which they have been an honor chapter for having the most members in the past four years, and workshops that help them improve themselves in different fields. Some of our school activities are putting on the beauty pageant, taking baskets of fruit to the old folks home, and answering letters from second graders to Santa.

4-H AND SCIENCE — GET DOWN TO EARTH

Each year the Science Club is involved in many projects. They present a science fair in the spring, this year some members will send their projects to Clinch Valley.

The 4-H club proved to be a very active club. They have meetings once a month with guest speakers who talk about various subjects. The members plan projects to work on and they compete in a contest at the end of the year.

WE TEACH THE CHILDREN

The Future Teachers of America is a service club whose members aid the teachers by watching over classes when needed. The highlight of the year was honoring National Education Week by sponsoring a clean-up day and presenting an assembly program for the parents.

The typical FHA year is filled with the initiation dress-up day, the Spring rally, Open House, and the FHA-FFA fair and picnic. This year they, also donated money and made fruit baskets for the senior citizens. The new addition of the Bachelor's class seems to be a worthwhile expansion. This club which transforms students into perfected seamstresses and chefs as well as active individuals, proves to be a very important part of HHS!

FFA AGRICULTURE IS OUR SPECIALTY

The 1981 Future Farmers of America has been one of the most active clubs in the school. They have participated in such activities as: rifle shooting competition in Clintwood, orange sales, the building of picnic tables and making repairs on small engines for the public. In September the FFA and FHA conducted their annual fair. Ribbons were awarded to the best and most unusual exhibits, with such catagories as canned fruits and Vegetables, cakes and candies, art Etc. Each summer some FFA members attend the FFA-FHA summer camp held in Virginia Beach, But they must raise funds and contribute to the cause.

BAND RECEIVES "DIVISION I" AT SCIENCE HILL

The Haysi Tiger Marching Band proved to "Have that Spirit" by marching on the field to an exciting drumbeat then proceeding to build the spirit with snappy tunes and lively dances. They also helped to keep the spirit alive by playing at pep rallies.

This year the band participated in three festivals at which they competed against bands from schools all over southwest VA.

They attended the Norton Invitational Band Festival, and the Lonesome Pine Band Festival. They also attended the Science Hill Invitational Band Festival at which they received superior ratings for the drum major and majorettes as well as for the entire band. This was the first time the band received a Division I rating. We are proud of their accomplishment.

ATHLETICS

1982 SUPER SENIORS

All things must come to an end and so it is with athletic participation, this year's high school team will never be next year's high school team for one very important reason — the seniors. And so it is with the 1981 Haysi Football Team. For no matter what kind of player each senior was, they'll all be remembered for their own special uniqueness that added to the team, and most of all they'll be remembered for the courage and committment they showed to themselves and their school in participating as seniors of the 1981 football team.

DISAPPOINTING SEASON FOR

The 1981 Haysi Tigers started off the season defending the title of Black diamond district championship, with an opening victory over the Jonesville Bulldogs things looked promising, until a few tough breaks and some seemingly unimportant mistakes soon dropped the Tigers to a 19-0 defeat in the first seasonal district game against Pochahontas.

Hope was still alive until Haysi fell 0-2 in the district after an emotional defeat against Garden, moving the district championship out of reach.

But not all was lost as the Tigers held together for an overall record of 4-5-1.

1981 JV FOOTBALL TEAM

For the last few years, JV football at HHS has continued to be competitive among their own age group as well as improving their playing abilities. The credit for such success has to go to coaches Ronnie Compton and Bennie Sutherland, who have worked many hours training and preparing the boys for their future varsity playing.

This year, the team did very well ending with a very impressive record. The team was led by quarterback Mike Mullins and running backs, Dewayne Stanley, Mike Robinson and Donnie Thomas. It's expected that this year's JV team will be a great varsity team.

CHEERLEADING SQUAD LEADS THE WAY

Along with attending camp at Pikeville College and long hours of practice, the 1981 Football Cheerleaders kept Tiger spirits soaring high. Pep rallies planned by the energetic girls were attended by school spirited students as well as those there just to get out of class. Love and respect for their team made it possible for them to withstand cold weather and long rides on a crowded equipment bus. They also cheered their team on to victory with cheers like "Get Down, Get Funky, Get Loose", and "Football Boogie". Along with sharing their teams joys of winning, they also shared the agony of each defeat.

GLORY BOUND

The pride of the J.V. girls carried them through this year's season. Led by Bobby Deel, the "Tiger Babes" rejoiced in victory and bounced back in defeat. The girls proved they are made of strong stuff and have the true Tiger Spirit. The younger members of the team look forward to their forthcomming J.V. years, while the older ones will be joining the varsity. But meanwhile all the girls will remember the challenge of the J.V. season "81".

GRIM SEASON, GREAT MOMENTS

"Our first goal is to be competitive in every game; secondly, get into the regional tournament. For us to achieve these goals we must play excellent defense and play as a team.

We have two starters returning this year: Randall O'quinn and Bob O'quinn; also we have four lettermen returning: Duane Owens, Patrick Grubbs, Joey O'quinn, and Terry Barton. This group of six players will make-up our starters and are the ones who must be our leaders for us to have an excellent season." (Coach Compton)

CHEERLEADERS PROVE TO BE THE BEST EVER

The Varsity Basketball Cheerleaders started out the year by winning a blue ribbon at camp this summer. They showed their originality and spirit by building pyramids at least 10 feet tall and entertaining the crowd at half-time. The squad and sponsor will greatly miss the graduating seniors, Wrenda Barton and Cretta Willis, but they are sure to make next year just as successful.

WORKING THEIR WAY UP

Scotty Mullins scoring from the outside against Clintwood.

The 1981-82 year should produce a very exciting Junior Varsity Basketball team. Ronnie Compton, coach of the Tigers, says that he thinks the team will go a long way this year. The team is young; Scotty Mullins, Mike Mullins and David Green are the leaders of the team and their future looks very promising. It is a good ball club and the experience they're getting is sure to make Larry Compton's varsity team a better one.

WE'VE GOT THAT SPIRIT

Spirit: There were many origins for it, but one of the main sources at least at our school was the Junior Varsity Boy's Basketball Cheerleading Squad. They worked long hard hours at practices to keep the spirit high. Besides participating in pep rallies by sharing with the school some cheers they do at games, doing a dance routine at halftime, cheered the team on to victory with some new cheers, and sharing the pain of each defeat.

HAYSI PLACES SECOND IN DISTRICT

Coach Ronnie Compton cheers his team on.

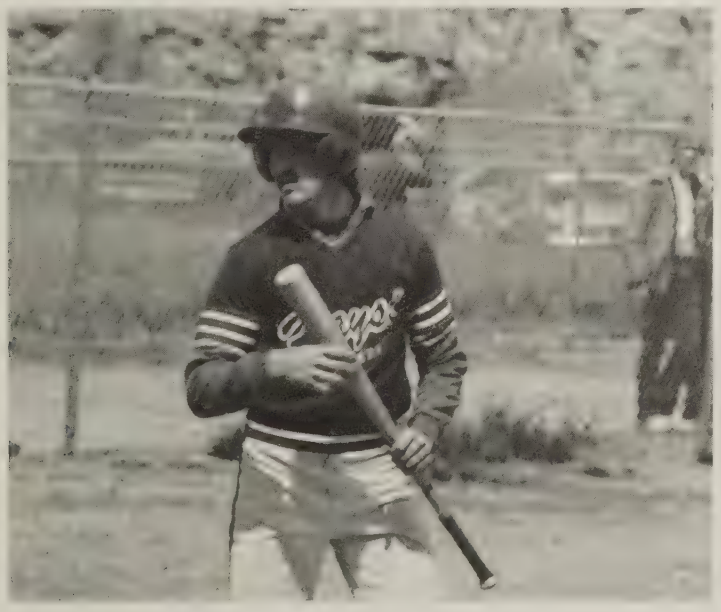

Expectations for the 1982 baseball season are very high. We have 7 starters returning from the 1981 season. The 1981 season was one in which Haysi for the first time in the schools history qualified for the Regional Baseball Tournament. The team finished second in the Black Diamond District with an 8-3-1 record, which was the best record in baseball since 1972.

TRACK'S BACK AT H.H.S.

The H.H.S. track program has returned again, strong in 81-82. The boys put out much effort and pride to represent Haysi in the regular meets at Garden. We finished 2nd in the district and had boys in the regionals to represent the school.

Also, we had four who placed in regionals and went on to participate in state. With the help and experience Coach McCarty gives the boys, the track team will finish with high honors in the years to come.

ACTIVITIES

A WEEK OF EXCITEMENT

Life at Haysi High is pretty well based on routine procedures such as going to the same classes at the same time everyday; it's seeing the same teacher and friends and learning their own unique personalities. But there's one week every year when all these routine things seem to suddenly reverse and life seems to be thrown into chaos. This is Spirit Week. The week that dignified teachers become informal and the week your so called "good" students are the ones you have the most trouble hunting down. But most importantly of all, it's the week that a special spirit sweeps the school. A spirit of pride and union that rises during the preparations for the arriving Homecoming, that makes even the most apathetic student want to get up and get involved.

HOMECOMING "81"

Lisa Thomas — Homecoming Queen of 1981.

Homecoming at Haysi High is always a very special night and this year was no exception. People come from all around Haysi to enjoy the Homecoming festivities. This year the fans witnessed a Tiger football victory, a dance, but most importantly of all, seven beautiful girls representing their classes in the Homecoming Court of 1981.

Many hours of hard work were put into preparing for Homecoming. Hours spent with mothers getting the right dress ready for their daughters, clubs working on floats, and the coaches preparing the football team. Tension and nervousness seem to be a constant companion of all the participants of Homecoming. But all these things were forgotten with the crowning of the Queen, Lisa Thomas. And the joy that showed on all seven girls faces couldn't help but make everyone of the parents, clubs, and coaches say, "It was worth it."

the Challenge

From the atom to the sun . . . the universe pulsates with energy in many forms.

The challenge is to find ways . . . new ways . . . to utilize the earth's vast storehouse of fuels in providing the energy needed for this nation to continue to be great.

The means — innovative technologies, exotic engineering, dynamic architecture — exciting advances that must come if man is to tap Nature's lode for the energies he needs.

From the smallest part of the universe to the largest . . . that's the scope of the energy field today. The opportunity for personal achievement is infinite; the challenge, one that must be met.

TIGEREYE SNAPS

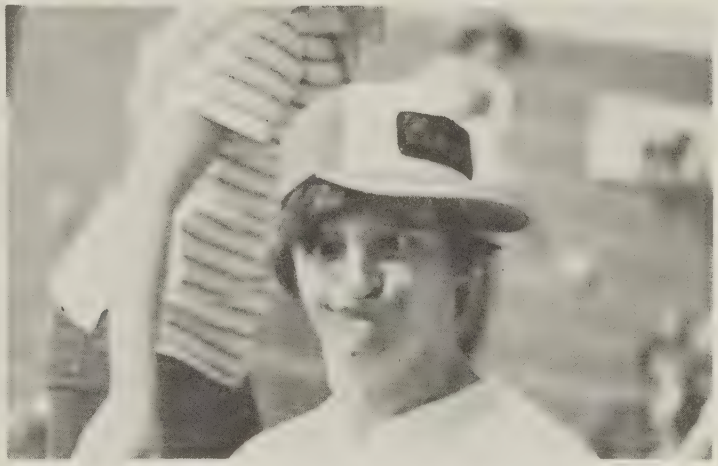

TIGEREYE CREATORS

The 1982 annual staff worked hard creating their version of the Tigereye. Each member got it together, but usually forgot where they put it. Rushing to meet deadlines and trying to decide which pictures to use, often became frustrating. Everyone worked closely together which occassionally was cause for slight irritations, but they were all unified at the end of their creation.

We hope each page represents a special memory for each individual at H.H.S.

Senior group: Angie Delaney, Rita Fuller, Wrenda Barton, Duane Owens, Brenda Edwards, Teresa Edwards, Patrick Grubbs.

Did the Annual Staff do this to Russell?

Duane — Watching everyone else work.

Junior group: Missy O'Quinn, Norma Mullins, Cindy Stanley, Connie Edwards, Mary Powers, Steve Whitner, Tim Owens, Russell Edwards.

REFLECTIONS OF THE YEAR

Though we have come to a close, we have a few special memories that will always stay with us:
. . . trying to get Mary quiet
. . . Keeping Duane in the room
. . . constantly laughing at Tim, Russell, and Steve
. . . and trying to get along with each other.

We would like to thank Mr. David Yates and Mr. Ronnie Bartley for letting us get away with things, Mr. Danny Boring for helping us understand, Mr. Andy Turner for all the sports pictures, Miss Edwards for cleaning up our mess, but most of all, Mrs. Slusher for helping us meet deadlines and being so sweet and nasty!

Thank you staff.

Kathy Slusher — a sponsor, a friend.

Co-editors: Patrick Grubbs and Angie Delaney
